

KAYUTA LAKE IMPROVEMENT ASSOCIATION, INC.

PO Box 112
Alder Creek, NY 13301-0112

Summer 2015

MISSION STATEMENT: To foster and perpetuate a true spirit of friendship, to promote and administer a responsible approach to water and land management, and, to preserve and conserve our ecology and wildlife. Membership is extended to, but not limited to, those property owners from Crandall Falls on the Black River, to the River Road bridge over the Black River in Forestport and all tributaries.

MESSAGE FROM THE PRESIDENT

The Dustin Road Bridge Project:

THE KLIA SPRING MEETING

The Spring meeting will be held Saturday June 13th at 9:30am at the Forestport Town Hall. We will start with a cup of coffee or juice and a danish at 9:00 followed by the meeting.

As usual, there will be a lot to discuss at this meeting so don't miss it. Don't forget to send in your membership application or bring it to the meeting along with your dues to renew your KLIA membership.

KLIA CONTACTS

President:	Al Candido:	534-9563 831-2302
Vice president:	Bill Miller:	794-5058 831-2205 wmm315@aol.com
Secretary:	John Fox:	831-5650 KayutaFox@aim.com
Treasurer :	Dave Wallace	941-4758
Board member:	Wink Doolittle:	831-3921
	Don Lenczewski	205-4002
	John Duda	

Contact information for board members and officers that are elected at the Spring meeting will be available on the KLIA webpage. If you have any suggestions, questions or concerns please do not hesitate to contact any of us!

TREASURER'S REPORT

I am happy to report that as of May 18, 2015 our

Adirondack Bank account has a balance of \$15,351.81. The First Source checking and savings accounts were closed, and remaining balance of \$567.50 was moved into the Adirondack Bank checking account. An audit was completed in May 2015 by the board appointed audit committee and account activity and balances from 2014 to current were reviewed and verified with zero discrepancies. Our net-net (revenue minus expenses) for 2014 was a negative \$5667.75. Below is a highlighted breakdown:

Expenses

2014 expenses totaled \$9,204.75. Larger expenses include \$3,700 Fish Stocking; \$720 for website (2013-2015); Newsletter for \$417.00; Ski school shirts for \$1605.00, and Ski Show donation for \$1,000. The remainder of expenses totaling \$1762.75 represent costs for other annual lake events, such as the Pancake breakfast, Island Picnic, Board Meetings, and Land picnic.

Deposits

2014 total deposits (include memberships, donations, merchandise) were \$3,534.00. Our largest source of income remains membership dues. We continue to have a significant amount of interest and donations for fish stocking with 2014 donations totaling \$295.00.

Memberships

We have received 10 pre-paid 2015 KLIA memberships. Our 2014 paid KLIA membership was down 48 members from 2013 and represents a total 2014 membership of 120. We thank all those members for the current and past donations.

David H. Wallace Jr.
Treasurer

NOMINATING COMMITTEE

There were no vacancies on the board this year but if anyone is interested in joining the board, please contact any of the current board members or the nominating committee—Frank Marfone (Chairman), Wink Doolittle, Bill Miller, Justin Wilcox, and Debbie Belmont

The Nominating Committee of the KLIA unanimously recommends the following as officers for 2015:

President—Al Candido
Vice-president—Bill Miller
Treasurer—Dave Wallace
Secretary—John Fox

And as board members:

Wink Doolittle
Don Lenczewski
John Duda
Carrie Kifner
Aaron Labella

Thank you! Frank Marfone, Chairman

FUN THINGS ON KAYUTA LAKE

Each year, the KLIA tries to bring the people of Kayuta Lake together. Member volunteers try to accomplish this through a variety of fun family oriented events that allow you to get to know your lake neighbors and to help you have a summer that you and your family will remember for years to come.

1. Island Family Fun Day:

This fun will continue in 2015. Saturday July 25 (rain date July 27). Time for this spectacle is 1pm and the location is none other than the islands. ...or island if the lake level cooperates.,

KLIA will be providing (for paid members, their families and friends) grilled food by the expert grilling staff as appointed by KLIA caterer and friend Henry Alberico, thirst quenching beverages, and snacks. We are requesting anyone that would like to bring a dish or dessert to put on the tables to please feel free to add to the mix.

John Duda and his family will again provide the main entertainment, all your favorite island fun day 'oldies but goldies' and hottest new iTunes downloads so be prepared

with your red solo cup. We are very grateful to the Duda's for their contribution to this event.

2. Water Ski School on Kayuta Lake:

Camp Mohawk Valley Waterski School will return to Kayuta Lake once again in 2015! Ski School will be held the weeks of August 3-7 and 10-14. There are currently openings for both weeks and all ski school students are invited to participate in the ski school show Saturday August 15th before the X-Squad Ski Show. The Serth family loves holding ski school at Kayuta Lake and hope for another successful season. Ski school will be held at the Corrigan residence and anyone interested in attending can call 518-864-5565 or email cmvski@aol.com for more information on ski school and how to enroll!

Once again, Camp Mohawk Valley Ski School and the Kayuta Lake Improvement Association are sponsoring two "scholarships" to the ski school. Each student enrolled or interested in enrolling for ski school is encouraged to write a letter to ski school about why they would like to go to ski school, what they really enjoy about ski school and their favorite things they've learned or goals that they hope to attain at ski school. The letters may be mailed to the address below or emailed to cmvski@aol.com with the email subject 'ski school letter'. All entries must be received by July 10th and only 1 entry per student will be considered. Please be sure the students' name, address, phone number and age are on the letter. The authors of the 2 most compelling letters will each win a free week at ski school, one winner being sponsored by the Kayuta Lake Improvement Association and the other by Camp Mohawk Valley Water Ski School. The winners will be announced on August 1st. Good luck to all and we will see you on the lake soon!

Camp Mohawk Valley Ski School
8496 Mariaville Road
Pattersonville, NY
12137

3. Water Ski Show:

The latest tradition will continue in 2015 with the annual Camp Mohawk Valley Exhibition Squad Water Ski Show! The X-Squad show is set for Saturday August 15th (rain date in August 16th) at 2pm with the Ski School show beginning at 1:00pm. As in previous years, the Ski School Show is open to ANY student who attends EITHER week of ski school at Kayuta Lake. Ski School kids are asked to arrive at 11:30am to prepare for the show. The X-Squad show will be as thrilling and exciting as ever with 3-tier pyramids, high flying jumpers and barefooters speeding by at up to 45 mph! The show will take place at the same spot as usual on the north side of

Dustin Bridge in front of the Corrigan's house. The show space will be buoyed off and spectators are expected to anchor on the outside of the buoys for the safety of the skiers. The X-Squad is looking forward to yet another fantastic year on Kayuta Lake and will once again be hosting Pirate Night on the island following the ski show Saturday night. Pirate ship rides will be given to those wearing any pirate attire.

4. KLIA Land Picnic

The KLIA land picnic will be held on Saturday, August 29th from noon till 4PM at the Kayuta Lake Campground pavilion. We decided to make the date earlier this year in the hopes of better weather, and convenience for those who close up camp early. As it was last year, the main dishes will be catered, and we would love for you to bring a favorite "pot luck" dish to share. Please bring your own beverages. Catering, condiments, tableware, coffee, tea, and pavilion fees will be provided by the KLIA. There will be games, raffles, music, a bounce house, a popcorn or sno-cone machine, and tons of fun for the land lubber! The pickerel derby winners and other KLIA info will be announced. This is a great chance to socialize with your friends before the season winds down. Attendance has been good, but we would love to have ALL of you there! Anyone interested in volunteering to help set up, or clean up, give us a call at (315) 736-0380 weekdays, or 831-2166 on weekends. See you there!

NYS DEC – Required Permits

As an annual reminder, DEC permits are required for any work that causes a disturbance to the bed or the bank of our waterways. A permit is also required for any excavation or fill that is below the mean high water level, such as rip rap or dredging. (Article 15). Permits are also required for any work within a wetland or within 100'. (Article 24). Permits may also be required by other agencies, such as NYS Canals or the US Army Corps of Engineers.

Even if you don't think you require a permit from DEC or other agencies – check check check.

Written determinations can be provided by sending a written request along with the location (tax parcel number), written description of project and photos of the project area. If DEC concurs that no permit is required, they will respond in writing and you will have a permanent record if the project is ever questioned down the road.

Oneida and Herkimer County projects are generally handled in the Utica Office.

NYS DEC Room 1404
Utica State Office Building
207 Genesee St.
Utica, NY 13501
(315) 793-2554

Permit applications are available online at www.dec.ny.gov and at many Town Offices or by calling the Utica DEC office. You may check basic maps by using the "Enviromapper" link on the DEC webpage.

BOATER SAFETY COURSE

The NYS Office of Parks, Recreation, and Historic Preservation reminds all boaters under 18 (born after May 1, 1996) must obtain an approved Boating Safety Certificate to operate a motorboat in New York State.

In an attempt to make New York waterways safer, Governor Andrew Cuomo signed a law requiring anyone born on or after May 1, 1996 who wants to operate a motorboat to obtain a Boating Safety Certificate by completing an approved eight-hour course. Courses may be completed and certificates obtained through the Office of Parks, Recreation and Historic Preservation, U.S. Power Squadron, or the U.S. Coast Guard Auxiliary. A list of approved courses is available on the State Parks website <http://nysparks.com/recreation/boating/boating-safety-class.aspx>. The state has also approved two online courses this year that are offered through boaterexam.com and boat-ed.com. Regardless of age, all personal watercraft (PWC) operators still need a Boating Safety Certificate.

State Parks encourages everyone, regardless of age, to consider taking a boater education class to sharpen their nautical knowledge.

For New Yorkers who have earned a Boating Safety Certificate, keeping track of it is even easier thanks to New York's new Adventure License. New Yorkers who have taken an approved safe boating course and received a Boating Safety Certificate, with just a few easy steps, can have the certification reflected as an anchor icon on their NYS Driver License, Non-Driver ID or Learner Permit. The personalized Adventure License eliminates the need to carry a separate certificate. For more information on the other benefits of getting an Adventure License, visit licensecenter.ny.gov.

The KLIA will again sponsor a Boater Safety Course which will be held on June 27, 2015 at the Forestport Town Hall. This is an eight hour class that will be

presented by the Oneida County Sheriff's Office. Upon successful completion of the course attendees will receive NYS certificates of completion that is required for any over the age of 10 to operate any motor boat, and those of any age to operate any PWC.

There is no cost to attend and you must be at least 10 years old. The class starts at 8:30. Preregistration is desired but not mandatory. You may call the Sheriff's office at 765-2211 or go to www.nysparks.state.ny.us/recreation/boating/safety-courses.aspx to register for this class and for information on other courses being offered.

The KLIA will provide coffee, juice and donuts. You should bring your own lunch as the class will take most of the day.

FISH UPDATE & 2015 KLIA PICKEREL TOURNAMENT

On June 14, 2014, the KLIA purchased and stocked 1000 large mouth bass that were 6-8 inches in many areas of the lake at a cost of \$3.70 per fish.

This year, the KLIA will once again hold a summer long tournament. In an effort to increase participation and membership, the KLIA Board voted to open this year's tournament to ALL.

We encourage all members to enter, have some fun, and perhaps even win. It is interesting to note that in 2013, our inaugural season-long tournament drew 27 entries who submitted 146.61 pounds of fish. In 2014, entries dropped to only 12 entries who submitted 75.04 pounds of fish. In order to continue this great event, we would like to see an increase in participation. Remember, it only takes one big fish to win!

TOURNAMENT RULES

The tournament will be held between **June 15th and August 31st 2013**.

Contestant will be required to pre-register at: "THE STATION COUNTRY STORE". The cost to enter is **\$5.00** for paid KLIA members. Non-members can enter at a cost of \$20, which will include an optional one-year KLIA membership. Applications will be available on site. Entry fee will cover the contestants immediate family.

Entry fees must be paid at the time of initial entry and will be verified before any prizes are awarded. Winners

will be notified by telephone and award mailed to the address provided since the KLIA Land Picnic will be held prior to the end of this year's tournament.

All fish entered must appear "fresh-caught", not previously frozen and only from Kayuta Lake. Weighted fish will disqualify contestant. **(Please be fair and compete honestly)**.

Weights recorded by store personnel are **final** and entry times are limited to normal store hours. (6:00am-10:00pm, 11:00pm on weekends). Fish must be bagged before entering store. Plastic bags will be provided. Remember, be considerate, their **customers come first**. Disposal of all fish is the sole responsibility of the contestant. **(Please do so in a responsible manner)**.

Three prizes will be awarded, all \$100.00 gift cards from **Bass Pro Shops** along with a **winner's plaque**.

Prize #1 for heaviest single pickerel entered during the event .

Prize #2 for heaviest (total) of combined pickerel caught and entered in one day.

Prize #3 for heaviest (total) of combined pickerel caught and entered during the entire event. (Total weight will be tallied after August 31st).

Please remember that all fishermen must abide by the laws set for the area which include size and catch limits even for pickerel.

2014 Tournament Winners

Congratulations to the winners of the 2014 season-long KLIA pickerel derby.

Heaviest single fish—David Kardash (2.23 pounds)

Heaviest one day total—David Kardash (14.045 pounds)

Heaviest event total—Tim Noga (29.575 pounds)

SEPTIC SYSTEMS

For those who wish to test their septic systems to be sure they are not leaching any waste into the lake, test kits are available at most KLIA events or contact any of the board members. Kits are \$4.00 each.

NYS CANALS

Anyone looking for information regarding the permitting procedures or applications can access their website at www.canals.ny.gov. Search under tab "Doing Business" then "Real Property".

Hard copies of the permit applications and instructions are available for those who do not have Internet access.

These documents along with a hard copy set of maps of Kayuta Lake and the Black River are located in the Assessor's Office at the Town of Forestport Town Hall, Woodhull Rd., Forestport.

The NYS Canals' contact person for Kayuta Lake is:
Kevin Lamphere – Permit Engineer
NYS Canal Corporation
(315) 733-9530
Kevin.lamphere@canals.ny.gov

TRASH DAYS

The Town of Remsen is excited to offer a newly developed Town of Remsen Recycling Program to its residents in 2015. The opportunity to participate in the Recycling Program will be made available to all property owners in the Town of Remsen and will operate on the grounds of the Town of Trenton Recycling Center. The rules and procedures for the program are available at the Remsen Town Hall. Please contact the Remsen Town hall at 315 831-5558 with any question that you might have.

Under the Recycling Program, Remsen property owners are entitled to the privilege of visiting the Town of Trenton Recycling Center on a dedicated Town of Remsen Day each month. You are free to bring pick-up truckloads of items at your convenience during the hours of operation from 2 pm-8pm on the 3rd Monday of each month. You may visit the center as many times as you would like on Remsen days during the hours of operation. The only restriction is a limit of 4 car tires off the rims per property owner on each Remsen Day.

You must visit the Remsen Town Hall and provide proof of ownership of a parcel of land within the boundaries of the Town of Remsen (You must provide a current Town and County tax bill). You will then sign a registry in exchange for an official identification token.

The Town of Forestport dump days are June 13th at Bear Creek Road and Sept 13th at the Town Barn on Route 12. Both days are from 8:30am to 2:00pm for Town property owners. Visit the website for more details: www.townofforestport.org.

The Town of Remsen will once again be holding a free trash day for all property owners in the township. The trash day will be held at the Highway Garage located on Phelps/Buck Rd. in Remsen on Saturday, September 13th from 7:00am until 3:00pm. If you own property in the Town of Remsen you are eligible to participate. Property owners will be allowed one permit per parcel and all participants will need a permit. Permits may be picked up at the Town Hall Monday through Friday 8:00am until 3:00pm, or at the Town Clerk's Office Mondays 5:00pm

until 7:00pm, Thursday 6:00pm until 8:00pm. You may bring one pickup truck load per permit.

AROUND THE COMMUNITY

Kayuta Lake Campground has re-opened its boat launch to the public for the 2015 season on a trial basis. The 2015 Launch Fee is \$7.00 (tax included).

Launch Guidelines:

- Launch will be accessible May 15th to October 14th only.
- Launch is closed to the public on holiday weekends (Memorial Day, July 4th & Labor Day weekends).
- Launch will be open during office hours ONLY. Office hours are Sunday-Thursday 9am-4:30pm, Friday & Saturday 9am-7pm
- The 5mph Speed Limit on Campground Rd and inside the campground will be strictly enforced. Please drive slowly.
- Launch fee covers Boat Launch ONLY. Access to campground facilities (pool, beach, games, playground, entertainment, etc.) is restricted to our registered campers only.
- Launch pass is a single use pass. Good for 1 boat on 1 day. Multiple boats require multiple passes.
- You must stop at office to get your launch pass BEFORE proceeding to the launch area.

Please, for the safety of the campers & the continued availability of the launch, we request that the above guidelines be followed by everyone wishing to use the launch.

Thank you for your cooperation!
Mike & Karin Caccavale

KLIA MERCHANDISE

For 2015, we have the following items available for sale:

- Welcome To Kayuta Lake signs made of wood and twigs for \$12.00.
- Kayuta Lake Can Koozies insulators to keep cans/bottles cold \$3.00.
- Kayuta Lake coffee mugs stoneware/ceramic for \$6.00.
- Kayuta Lake insulated travel mugs plastic for \$5.00.
- KLIA key floats for \$3.00.
- KLIA LED light key rings for \$3.00.
- KLIA Christmas ornaments for \$6.00.

- KLIA Pub glass (16oz) for \$4.00.
- Kayuta Lake stuffed moose for \$8.00.

Items will be on sale at the Spring meeting and the Land Picnic. If you would like to purchase any item at any other time, please contact Bill Miller and I will direct you or create an order for delivery. We are also researching the availability of baseball caps since there has been a great deal of interested expressed to have them added.

There are also a limited number of fleeces and hooded sweatshirts this year which are left over from the order done in 2014. Cost will be \$30 for the fleece and \$35 for the hooded sweatshirts. If you ordered any of these items but have not received them, please let us know. We do have orders from last year that have not been delivered. If you have any questions please contact Bill Miller at 831-2205 or Bill@KayutaLakeNY.com.

KLIA Dot Com

As with any organization, communication to all members is our biggest challenge. KLIA has used many types of communication to let all members know what's going on. The newsletter has been our traditional method but recently we've expanded to include email and the KLIA web page at www.KayutaLakeNY.com. All members are entitled to access the website so if you still need your user ID and password please contact me at Bill@KayutaLakeNY.com. In addition to the web page, you can also "friend" the Kayuta Lake Improvement Association on Facebook to see important notices and post your comments and questions.

Please include your email address on your annual membership form so that we can send you your secret code to access the website. This email address will not be added to the KLIA email list unless you specifically request it to be. We are all sympathetic to the problem of email overload and we don't want to end up in your SPAM filter!

As always, if you have any suggestions, questions, or comments please don't hesitate to contact me at Bill@KayutaLakeNY.com or 831-2205.

KAYUTA LAKE CRITTERS

If you've gone looking for raptors on a clear day, your heart has probably leaped at the sight of a large, soaring bird in the distance—perhaps an eagle or osprey. But if it's soaring with its wings raised in a V and making wobbly circles, it's likely a Turkey Vulture. These birds ride thermals in the sky and use their keen sense of smell to find fresh carcasses. They are a consummate scavenger, clean-

ing up the countryside one bite of their sharply hooked bill at a time, and never musing a feather on their bald heads. They are large dark birds with long, broad wings. Bigger than other raptors except eagles and condors, they have long "fingers" at their wingtips and long tails that extend past their toe tips in flight. When soaring, Turkey Vultures hold their wings slightly raised, making a 'V' when seen head-on.

Turkey Vultures appear black from a distance but up close are dark brown with a featherless red head and pale bill. While most of their body and forewing are dark, the undersides of the flight feathers (along the trailing edge and wingtips) are paler, giving a two-toned appearance. They are majestic but unsteady soarers. Their teetering flight with very few wingbeats is characteristic. Look for them gliding relatively low to the ground, sniffing for carrion, or else riding thermals up to higher vantage points. They may soar in small groups and roost in larger numbers. You may also see them on the ground in small groups, huddled around roadkill or dumpsters.

Turkey Vultures are common around open areas such as roadsides, suburbs, farm fields, countryside, and food sources such as landfills, trash heaps, and construction sites. On sunny days, look for them aloft as early as 9 a.m.; in colder weather and at night they roost on poles, towers, dead trees, and fence posts. It uses its sense of smell to locate carrion. The part of its brain responsible for processing smells is particularly large, compared to other birds. Its heightened ability to detect odors—it can detect just a few parts per trillion—allows it to find dead animals below a forest canopy.

The Turkey Vulture maintains stability and lift at low altitudes by holding its wings up in a slight dihedral (V-shape) and teetering from side to side while flying. It flies low to the ground to pick up the scent of dead animals.

Not everyone sees vultures as a creepy harbinger of death—many see them as sacred for their cleanup role. Tibetan Buddhists practice "sky burials," where animals, usually vultures, consume their dead. Similarly, Zoroastrians offer their dead to be consumed by vultures on a raised platform, called a *dakhma*. They regard vultures as precious animals that release the soul from the body. However, in parts of urban India, where vultures have become scarce because of accidental poisoning by a livestock anti-inflammatory drug, not enough vultures remain to meet the demand and some people have turned to burial.

The word vulture likely comes from the Latin *vellere*, which means to pluck or tear. Its scientific name, *Cathartes aura*, is far more pleasant. It means either "golden purifier" or "purifying breeze."

In cowboy movies the bad guy usually threatens to leave the hero in the desert for the buzzards, meaning the vultures. Although buzzard is a colloquial term for vulture in the U.S., the same word applies to several hawks in Europe. In fact, the Rough-legged Buzzard (*Buteo lagopus*) of Europe is the same species as the Rough-legged Hawk of North America.

Turkey Vultures eat carrion, which they find largely by their excellent sense of smell. Mostly they eat mammals but are not above snacking on reptiles, other birds, amphibians, fish, and even invertebrates. They prefer freshly dead animals, but often have to wait for their meal to soften in order to pierce the skin. They are deft foragers, targeting the softest bits first and are even known to leave aside the scent glands of dead skunks. Thankfully for them, vultures appear to have excellent immune systems, happily feasting on carcasses without contracting botulism, anthrax, cholera, or salmonella. Unlike their Black Vulture relatives, Turkey Vultures almost never attack living prey.

On the ground they move with ungainly hops and are less agile than Black Vultures. Often, especially in the morning, they can be seen standing erect, wings spread in the sun, presumably to warm up, cool off, or dry off. Outside of the breeding season, Turkey Vultures form roosts of dozens to a hundred individuals. When Turkey Vultures court, pairs perform a "follow flight" display where one bird leads the other through twisting, turning, and flapping flights for a minute or so, repeated over periods as long as 3 hours. Migrating flocks can number in the thousands. At carcasses, several Turkey Vultures may gather but typically only one feeds at a time, chasing the others off and making them wait their turn. Despite their size, Turkey Vultures are often driven off by smaller Black Vultures, Crested Caracaras, Zone-tailed Hawks, and other species.

Turkey Vultures have been increasing in number across North America since the 1966, according to the North American Breeding Bird Survey. Partners in Flight estimates a global breeding population of 18 million with 28 percent spending some part of the year in the U.S., 9 percent in Mexico, and 1 percent breeding in Canada. Turkey Vultures were threatened by side-effects of the pesticide DDT. Today they are among the most common large carnivorous birds in North America. However, because they live on rotting meat, like California Condors, they can fall victim to poisons or lead in dead animals. The main concern is lead shot that ends up in carcasses or gut piles left by hunters. The animals eat the shot and eventually suffer lead poisoning. Other threats include trapping and killing due to erroneous fears that they spread disease. Far from it, vultures actually reduce the spread of disease.

LOST AND FOUND

If you have lost something and would like to let people know or if you've found something and would like to help find the owner send an email to Bill Miller at Bill@kayutalakeny.com. We will send out an email blast and place a notification on the KLIA webpage.

Posting items on the Facebook wall is also a good way of locating missing items or helping a neighbor locate their lost items.
